

## FAMILY SATURDAYS

Villa Antiopa also promotes the activity 'Family Saturdays' which takes place every Saturday morning.

This is a visit aimed at families but more focused around children, between 4 and 14 years old, so the explanations have a playful and didactic character.

In this activity, it is shown how the children of Rome played, or what they did at school so that the history of our ancestors is understood in a more enjoyable and fun way.

If you are interested, book your place at the Villa Antiopa counter on Saturdays, just before the tour. Groups are limited to a maximum of 20 and the tour lasts 60 minutes.
